The Berkeley Library Branches Need YOUR Help!

The Berkeley Public Library Foundation is launching a campaign to raise much-needed funds for the four branch libraries in Berkeley. Only the structural renovation and expansion of the branches will be paid for through Measure FF, which the voters approved in Fall 2008.

We are raising funds to equip and furnish the interior of our newly-renovated and expanded branches – to pay for the computers, tables and chairs, furniture and equipment that are so essential to creating the libraries we want and that our community deserves.

We need your help to:

- ✓ Get your friends and neighbors involved
- ✓ Plan community fund raising activities
- ✓ Host parties and events
- ✓ Help with mailings
- ✓ Make telephone calls

YES! I want to help raise funds for the Berkeley Library Branch Campaign!
